It is a new year and we can't wait to get started!!

Our theme this year is WE ARE LEADERS!!! Leadership looks different. For some it is quiet and behind the scenes. For others it is upfront and organizing. Either way, we need both and we want to help your children discover how they lead and empower them to lead with confidence.

The  
**Leader in Me**™  
great happens here

Last year we focused on key executive functioning skills and we intend to build on this. All junior and senior high students will do a morning email and schedule check. This will help them understand what is happening in the day and the week and prepare for it. Our elementary students will begin with a morning meeting where they will review the schedule. We have seen growth – for example our upper elementary students are showing up to class with their supplies – ready to work.

Here are some other notes to start the 2022 - 2023 school year:

- 1) The **First Day of School is August 30th** and we start at 8:30. You are welcome to bring your child to school. Parents are invited to come on in and help your child get settled.
- 2) You can access your **child's class schedule, this year's calendar** and **school supply lists** through our website. The school supply lists were included in the mailed envelope at the end of June or in the *document* list on our website. The schedule/ timetable is available under *about* and *documents*. If you have any trouble just send me a text and I'll forward things your way.
- 3) **We do have some new staff in the building.**  
**Mr. Paul Doig** is back in our grade 5 - 12 math position while Mrs. Cayford continues in her position at division office. Paul is excited to start a new year and build on what he did last year.  
**Mr. Jeremy Poettker** is our new science teacher. You're going to love him. He is excited to get students experiencing science and enjoying it!  
**Mrs. Breanne Fulanich** will be filling in for the one year maternity leave for Mrs. Emily Armstrong (grade 5/6 Language Arts and Social and grade 7/8 English. She's been busy planning through the summer and it's exciting to see her enthusiasm.
- 4) Please know **we have an open door. You are always welcome in the school.** If you EVER have questions or concerns please don't hesitate to give me a call. We are in partnership with parents and I firmly believe we work better together. Your first line of communication is through your child's teacher but I am always willing to help in any way I can.

It really is a privilege to be part of Lomond Community School. **Please don't hesitate to contact me at any time (403-331-5552) or [melissa.gartly@horizon.ab.ca](mailto:melissa.gartly@horizon.ab.ca).**

Looking forward to the new school year,

Melissa Gartly  
Principal
