- 1:40 Awards

TERRY FOX RUN

Our run for cancer is done but if people would like to sponsor a student online they can go to the following address: <https://schools.terryfox.ca/LomondCommunity>. Thank you to all those that have given already. No more cancer!!

ITEMS FOR SALE

We are going through items at the school and trying to purge. We have a few older volleyballs that are still great for general use but not game use. **If you would like a volleyball for practicing at home they are \$5.00 each.**

IMPORTANT NOTE RE TRANSPORTATION

When no transportation is arranged by the school for extra-curricular activities, **parents take full responsibility and liability for transporting their children to and from the event.** Parents are then fully responsible for who they drive and who is driving. We discourage students driving themselves but this is the full responsibility of parents. The school has no responsibility when transportation is not provided. IF we are providing transportation (field trips) but you would like to make other arrangements you must sign a form saying you have made other arrangements. These forms are available at our office or can be emailed to you.

POWERSCHOOL

PowerSchool online access allows you to check in on how your child is doing at any point in the day. The system is up and working and all grade 9 - 12 students are accessible. If you are having troubles with the app or logging in please let Alicia know at our office 403-792-3620. The system is closed during report cards so teachers can enter overall comments and marks.

With an added bus route we had to rearrange our student drop off and pick up. Moving forward parents should enter from the north entrance and then park in the middle section. **Please avoid parking and backing up students are not watching.** Students will come down the middle sidewalk to their parents' vehicle. Thanks again for your patience.

LACE -- Lomond Association for Community Education is our parent council.

Parent Council gives input on upcoming events, curriculum, and school decisions. If you are interested in checking LACE out join us on September 23rd at 3:45 in the Library.

If you have questions about our parent council contact Julie Nikkel or Naomi Lindstedt.

2023-2024 YEARBOOKS

We have a few extra yearbooks for sale if you would like to purchase one. **They are \$20.00 and the money can be sent to the school or e-transfer is available.**

Once again, if you ever have questions or suggestions please reach out!! We can always do better and I look forward to always improving our school. Mrs. Garty (403-331-5552)
