October 23- Post Secondary Fair- Vauxhall

We will be taking all grade 10 - 12 students to Vauxhall for a post secondary fair. Students will have the opportunity to visit with 17 different schools. They will also receive information on scholarship and entrance requirements.

LIONS PRIDE AWARD

Each month we will be highlighting a student who exemplifies the qualities our school stands for. We will pick a junior/ senior high student and an elementary student who shows kindness, helpfulness, hard working character, school spirit, takes initiative and shows a desire to continually improve!

This first month we are highlighting Austin Liebreich and Hansel Kotov.

Hansel is willing to play with anyone. He works hard to include others and is consistently respectful towards both staff and students. Hansel also has a tremendous amount of empathy for those around him.

Austin has a work ethic like no other. He will put in many extra hours on his own just to perfect his skill (both in sports and academically). Austin also notices when others need a hand. He'll jump in and help with anything. Staff and students are the recipients of his kindness over and over.

PARENTS please note -- Moving forward parents should enter from the north entrance and then park in the middle section NOT in a parking spots. **Please avoid parking and backing up. We've had several students almost get hit.** Students will come down the middle sidewalk to their parents' vehicle. Thanks again for your patience.
