**FRIDAY (Dec 13)**-- No School

## Lomond Lion of the Month

Claire is an all star. She has worked with her peers to organize recess activities. Her academics are strong and on her own initiative she has stepped in to help struggling students. She is willing to work with anyone and shows hard work, leadership and enthusiasm.

Kalyn has grown over the last few years and now is a leader in her class and within the school. Some of our struggling students have asked to work with Kalyn because she shows tremendous patience. Kalyn's creativity, smile and sense of humour brighten our school and we are proud of her excellence both academically and as a citizen.

## Reminders!

Weather is unpredictable as we all know-- especially in Alberta!!

Please ensure your children come prepared for the weather. Extra mitts and socks are sometimes good to throw in their backpacks as wet, cold fingers and feet are not fun! Bus students should also be prepared in the event of a mechanical issue!
