Communication with the School

The school is required to keep track of attendance for all students. We would like to start using WhatsApp to communicate absences and other important updates/information that parents would like the school to know. Alternatively, if you prefer you can email the office at alicia.earl@horizon.ab.ca or call (403)792-3620.

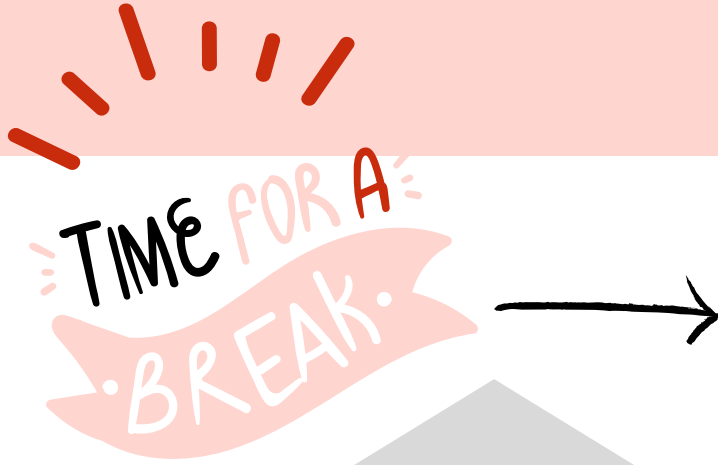

Mrs. Earl will be using the app to communicate with parents through Mrs. Gartly's account so please don't be alarmed if you receive a message.

If there is information that you feel is confidential or sensitive please feel free to continue contacting Mrs. Gartly on her cell (403)331-5552.

LIONS PRIDE AWARD

This month we are highlighting Arlo Doram and Katelyn Klassen!

Katelyn is our JR/SR High 'Lion of the Month'. She is consistently pleasant in class and always willing to help in any way she can. She makes sure she communicates when she will be away and is accountable with any work she is missing. She cares about others. She is hard working in class and willing to take feedback from the staff. Way to go Katelyn!!

Arlo is our Elementary 'Lion of the Month'. She is a model student in so many ways. Arlo will interact and play with anyone at anytime. She never complains and is always looking for ways to help out even with other students that may need it! Arlo is highly academic and always teachable. Way to go Arlo!!

Looking For.....

Our School is looking for **donations of used skates and helmets** to add to our collection. Some of our current equipment is aged and worn out. These donations ensure all students have opportunities to participate in fun school events!

The Multi Purpose Facility (big gym) is desperately looking for people to work the April Casino (April 15/16). These funds buy all the equipment for the gym. **Please let the school know if you (or someone you know) could take a shift.**
